

## Transportation Assistance Information

Please be very careful to choose flight itineraries that are compatible with these pick-up/drop-off times as we will not be able to accommodate late arrivals or early departures.

We will pick you up at the Dublin/Pleasanton BART (Bay Area Rapid Transit) station on August 15 at 1:30 p.m. and return you there August 22 by 4 p.m.

For information about getting from the Oakland or the San Francisco International airports to the Dublin/Pleasant BART Station visit: [www.bart.gov](http://www.bart.gov).

There is a QuickPlanner available that will take you to a schedule of trains leaving the airport, the times they will arrive at the Dublin/Pleasanton BART Station, and the train fare. Find a departure time from the airport that arrives at the Dublin/Pleasanton BART station before 2 p.m. You can back up from there to know what time your flight should arrive at the airport to allow you time to get your baggage, catch the BART train and get to the Dublin/Pleasanton Station before 2 p.m.

When you arrive at the Dublin/Pleasanton station, **please make sure you leave the station on the Pleasanton side of the station, not the Dublin side.** As you exit the station, turn right and go to the passenger pickup area adjacent to the parking lot. We will pick you up there. **\*NOTE: The Dublin/Pleasanton BART station is the eastern most stop that BART has. It is one stop *past* the West Dublin/Pleasanton Station.**

Linkline will provide transportation. The bus will be waiting for you where the sidewalk meets the parking lot. In support of the privileged environment we ask that you do not speak with your fellow travelers during the trip to the Monastery or during your wait time at the BART station. The bus will make one stop along the way for your comfort.

If you experience travel delays on the way to the retreat, please call the office (209) 442-3855 to let us know.

### Return Trip:

**We will return you to the Dublin/Pleasanton BART Station by 4 p.m. on the last day of the retreat. Please note, these times are approximate due to possible unforeseen travel delays.**

Use [www.bart.gov](http://www.bart.gov) to explore the BART train schedules from the Dublin/Pleasanton station leaving after 4 p.m. to determine when you will arrive at either the Oakland or San Francisco Airport on the last day of the retreat. To schedule your departing flight, add on the time required for check-in and security procedures.
